U. S. for Freedom of Sea Without Compromise and at Any Cost, Note

MESSAGE ON DIVER WAR STRONG

Wilson Assumes That Germany Has Admitted Illegality of Lusitania Sinking and Must Make Reparation.

WASHINGTON, July 23.—The text of the American note on submarine warfare, presented at Berlin today by Ambassador Gerard, was made public here tonight.

It reveals that the Imperial government has been informed that it is the intention of the United States to regard as "deliberately unfriendly" any repetition by the commanders of German naval vessels of acts in contravention of American rights.

The United States announces that it will continue to contend for the freedom of the seas, "from whatever quarter violated, without compromise and at any cost."

In official and diplomatic quarters the communication was received as the strongest and most emphatic pronouncement that has come from the Washington government since the beginning of its correspondence with the belligerents of Europe.

President Wilson returned to Corvallis, N. H., tonight to await developments.

GERMANY ADMITS WRONGS.
On the assumption that Germany has already admitted the illegality of her practices by attempting to justify them as against Great Britain, the United States in the new note expresses the belief that Germany will no longer "refrain from disavowing the wanton acts of its naval commanders in sinking the Lusitania or from offering reparation for the American lives lost, so far as reparation can be made for a needless destruction of human life by an illegal act."

GIRL IN CASE LOCATED, REPORT

Sandella Gadberr, the 17-year-old girl, implicated in the Jesse Tingstrom case, which was recently acquitted in the Superior Court, has been located, according to a rumor spread yesterday. According to the district attorney's office she is necessary to convict him on the charge of rape, on which Tingstrom has been arrested.

Where the Gadberr girl is was not stated in the report.

DOCTOR MAY BE GIVEN PROBATION

It is probable that District Attorney T. D. Johnston will recommend probation for Dr. Thornburgh, formerly a Richmond physician, who is in jail in Martinez on the charge of passing a fictitious check. Johnston, it is said, will be given a place in the county hospital.

SENTENCE OF CHIN ON WARNING TO GAMBLERS WHO WOULD OPERATE HERE

In San Francisco big lotteries are allowed to run without molestation, the newspapers printing weekly long lists of the winners.

In Oakland, despite the glowing promises of the new police chief, the Chinese gambling evil is still little changed. Richmond is one of the few

5 Special Cars to Carry Moose to Exposition

C. F. Donnelly, chairman of the transportation committee, announces that he has arranged for five special cars to carry the large crowd of local Moose that will go to the Exposition tomorrow to celebrate Moose Day. There will be about 350 local Moose at the Exposition. Under the leadership of A. A. Hart the drum corps will try to win the cup offered to the best Moose drum corps in the United States. The Moose Defenders will compete against many drill teams from all parts of the United States, and the local lodge will try hard to bring fame to Richmond by winning the cup. It is estimated there will be more than one hundred thousand members of the Moose in attendance, so adding the many thousands that will attend the day should be a record-breaker for attendance. Among the noted Moose members who will act as speakers of the day will be Governor Johnson and ex-President Roosevelt. The local members will leave in special cars leaving Sixth and Macdonald at 8 a. m.

OLD WILL FILED AT COUNTY SEAT

Two pages of foolscap, yellow with age, were filed with the county clerk yesterday morning by Mrs. Rosa Ann McCullough, widow of the late Daniel McCullough of Walnut Creek. The paper contained the will of the deceased and bore the date of August 2, 1839.

The will was witnessed by Henry T. Jones and John McCaw of Walnut Creek, in which town it had been made out. McCullough died on July 10, 1915, and left a tract of land near Walnut Creek valued at \$4000. This he bequeathed to his wife and daughter, Mrs. Anna Roe, to divide equally.

REPORTS HEARD AT CONFERENCE

Reports from heads of the various departments of the First Methodist church were heard at the Quarterly Conference, held yesterday.

The reports showed that the church is in good condition financially and otherwise.

The financial report of H. G. Stidham, treasurer, was very encouraging and showed that the church is well able to meet all obligations. Stidham was highly commended for the efficient manner in which he has conducted his office.

Work on the new parsonage will start in a few days, says Rev. P. H. Petersen.

"BARGAIN" CARD PARTY TONIGHT

A "bargain card party" will be held by the Lincoln Homestead this evening in W. O. W. Hall.

Valuable prizes will be given the winners, delicious refreshments will be served and there will be dancing, and the score cards will cost only 15 cents.

RUSS LAY WASTE COUNTRY AS THEY RETREAT

LONDON, July 23.—The Austrians and Germans are pushing their great attacks against the Russian armies defending Warsaw with undiminished energy, and at some points report that progress has been made.

They are operating, however, through country which the retreating troops have laid waste and the roads are little suited for the movement of heavy artillery which is necessary for the bombardment of the great fortresses barring their way.

LETTER TELLS OF ILLNESS OF NEPHEW IN WAR

J. H. Duns, president of the Cement Workers' Union, has received word that his nephew, Johannes Koenig, who served as a dragon for the Kaiser at Metz during the winter campaign, is lying in a hospital at Rheims suffering from rheumatism. Duns has seven other relatives in the war.

Local Man is Arrested in Napa and Brought Here

Chester Harshner, formerly a local bartender, was arrested in Napa yesterday by the Napa county sheriff, and was brought back to Richmond, arriving here shortly after midnight last night under the custody of Officer Fred Eganman.

Harshner's arrest was sought by his wife, who states that he has refused to live up to his promise, which he made before the court several months ago to provide money monthly for the keep of his children.

In Napa he was organizing a lodge and was living high. He will be given a hearing in the police court today.

BAND CONCERT IS BEST YET

The best yet, was the opinion of the hundreds who attended the open air concert of the Richmond Concert band at Seventh and Macdonald last night. A superb program of marches, overtures, waltzes and a well rendered trombone solo by Roy Burdick composed the evening's musical treat.

The medley of popular airs which ended the program was so spirited that the listeners "just naturally couldn't keep their feet still," as a G. A. R. veteran put it.

W. O. W. LODGE GROWING.

E. A. Eiloon, E. H. Cunningham and J. H. Haley were initiated into the Woodmen of the World at their meeting last night. Three applications were received. The drill team put in more than an hour at hard practice.

The lodge is preparing to turn out in full force at the Exposition the 11th of August to celebrate the 25th anniversary of the founding of the lodge.

HEIR COMES TO JOOST RESIDENCE

County Tax Collector Martin W. Joost is now the father of plump and rubicund baby boy, which was born to his wife in San Francisco Thursday. Everybody doing well, thank you.

FUNERAL OF GUS KELLER, TUNNEL VICTIM, TODAY

The funeral of the late Gus Keller, the tunnel victim of Wednesday night, will be held this morning at 9 o'clock from Our Lady of Mercy church on the west side.

Elaborate Plans for Richmond Day at the Exposition

Plans are being shaped for an even larger day at the Exposition for Richmond Day, August 7, that will be the tenth birthday of the city of Richmond. Badges will be provided all Richmonders who will attend the celebration across the bay.

On next Monday night additional committees will be appointed following the regular council meeting. Efforts will be made to have a large number of school children attend the Exposition and parade in the grounds on that day. Low transportation rates will prevail.

A dance will probably be given in the California building and a hundred auto parade will probably be held on Market street.

TO BUILD FIVE STORY HOTEL HERE, REPORT

According to an item in a Woodland paper, a physician of that city, who owns the frontage adjoining Fred Schramm's property at Seventh and Macdonald, will build a five-story hotel on it next fall.

PASTOR TO TALK ON "CHINA OLD AND NEW"

"China, Old and New" will be the subject of a stereopticon lecture to be given in the big tent at the Seventh-day Adventist camp-ground, at First and Macdonald, tonight at 7:30 by Pastor R. F. Cottrell, superintendent of the Central China Mission. A big revival service will be conducted by Pastor E. E. Andrews this morning at 11.

Pastor G. B. Starr of Melrose, Mass., spoke yesterday morning in the big tent on "The Truth as It is in Jesus." Yesterday afternoon J. L. McElhenny, president of the California Conference, gave a discourse, "Shine Memorials" was the subject of Pastor E. W. Farnsworth last night. He said he had been asked by some which day the seventh is, and remarked that it would be almost impossible for the whole world to sleep over and gain a day in reckoning time. If that ever had been done, astronomical eclipses, which can be computed accurately for centuries in the past, would be thrown out of date, while it is a fact that they accurately coincide with historical data.

NEW FIRE TRUCK GOES TODAY TO NEW STATION

The new fire truck purchased several weeks ago for service in fire house No. 5, will be sent out to the recently completed station at Barrett avenue and Twenty-first street, this morning.

The residents in that district will now be more adequately furnished with fire protection, as the new truck is one of the most modern types. For several weeks past the new truck has been substituting for trucks 1 and 2, while they have been in the paint shop.

LOCAL POSTAL RECEIPTS ON UP-GRADE

Slump in Fiscal Year Ending June, but Present Month Shows Improvement Over "Hard Time" Period.

The receipts of the local postoffice during the fiscal year ending June 30, 1915, were \$400 less than the receipts of the previous fiscal year, was the statement given out at the main office on Sixth street yesterday. The greatest quarterly drop in receipts has been during the last quarter, when the total was over \$500 less than during any previous quarter of the past two years.

This has caused a retrenchment policy to be inaugurated by Postmaster S. F. Jenkins, so that during the last year some of the services of the office and delivery help has been dispensed with, one clerk having been released as late as July 1.

CONDITIONS BETTERING.
However, the hard times seem to be over, for business during the first three weeks this month indicates that the quarter ending Sept. 30 will be one of its most prosperous in the history of the office.

"Retrenchment is now at an end," stated Jenkins last night. "If the postal business can be taken as a criterion, prosperity is already here in the first stages."

Some of the falling off of business is probably due to a lowering of sections of the postal rates. Jenkins further stated that there was no possibility of the closing of the west side branch of the postoffice, contrary to rumors to that effect.

RECEIPT FIGURES.

The postal receipts at the Richmond postoffice have been as follows during the past two years, given quarterly:

June 30, 1914.....\$2,437.33

June 30, 1915.....\$2,037.00

PURDOCK GETS VIOLATOR OF THE FISH LAW

George Losier received a great surprise yesterday morning when he landed at Bull Dog Joe's with a boat load of striped bass. Assistant Fish Commissioner J. L. Burdock was waiting him on the little wharf, and informed him that he had a large number of undersized fish.

Losier asked him how he knew, as he was sure he had not seen them. Further he insisted that he was catching the fish for his own use, but Burdock told him to tell it to the judge. Burdock looked over the fish and found over thirty pounds of undersized fish, which he confiscated.

At the police court Losier found out how Burdock knew he had small sized fish before investigating his cargo.

Burdock leaves San Francisco every morning before dawn on his motorcycle and drives to places along the bay shore where he expects the fishing law is being violated. He mounts to a high place—in this case the hills near Bull Dog Joe's landing at Point Potrero—and brings a high powered field glass into action. With it he is able to see the fish as they are brought out of the water, and he is able to calculate their size. Then he waits for the fisherman to land and makes his arrest if any small fish have been taken.

Losier pleaded guilty and was fined \$15. The fish were turned over to Humane Officer D. W. Calfee, who distributed them to 25 homes in need of some pecuniary assistance.

Fairmount School Near Completion

J. H. Duns, who has the cement contract on the Fairmount school, is rushing his job to completion and expects to finish in the middle of next week.

William Becker, who has the carpentering contract, has employed more men and will be through shortly. The plastering will be done on Monday or Tuesday.

Name Women to Receive Guests; Many Volunteer Use of Autos

There was immediate response yesterday to the request of the reception committee that is preparing for the visit of the Rivers and Harbors Committee of Congress next Tuesday, for automobiles. The following volunteered with their automobiles and their services:

J. F. Brooks, M. A. Hayes, John Nicholl, R. L. Griffith, M. Eganue, E. M. Tiden, E. J. Garrard, D. W. McLaughlin, H. D. Chapman, W. W. Cottingham, H. A. Johnston, Isaac Lester, C. H. Brewer, Dr. C. H. Blake, C. H. Paine, J. H. Forman, Fred C. Schram, T. F. Conn, W. A. Le Salle, J. Malone, J. V. Galbraith, W. L. Ballinger, Dr. C. L. Abbott, H. H. Turley, Frank Hall, H. E. Wyatt, J. C. Owens.

The automobiles are to assemble at Sixth and Macdonald at noon Tuesday to carry the committee members and those who will be guests at the luncheon to be served at Winchaven. City Clerk Paris yesterday afternoon estimated luncheon would be served to about 125.

The committee of prominent local women to receive the women in the Congressional party was appointed yesterday as follows:

From the Mendelssohn Club, Mrs. H. A. Stiver, Mrs. G. W. Toppins, Mrs. H. J. Carpenter, Richmond Club, Mrs. W. W. Welch, Mrs. O. H. Ludewig, Mrs. F. C. Schram, West Side Women's Improvement Club, Mrs. Lee R. Adams, Mrs. David Hopkins, Mrs. T. T. Cramer.

Practically all of the owners of the automobiles will aid in showing the visitors the points of interest in Richmond.

Invitations to the luncheon are in charge of Councilman R. L. Permaid.

LOSER 200, INHERITS AD IN NEWS AND OF COURSE RECOVERS MONEY.

Suppose you lost a purse with \$50 in it—
And suppose you could find no trace of it after a long search—
And suppose you put an ad. (for two hits) in the Daily News—
And suppose the very next day the purse was brought to you by the finder, who had seen the ad—
Wouldn't you consider that an absolute proof that little want ads in the Daily News pay big?

Wednesday Mrs. E. L. Stout, 611 Ohio street, lost her purse with \$50 in it. She put the ad. in the Daily News. Thursday morning Miss Kane, secretary in the office of the Municipal Improvement company, brought the purse to its owner, having found it on a Macdonald avenue street car.

Mrs. Stout induced Miss Kane to accept \$5 reward.

CONTRACTOR IS DECLARED UNFAIR

Contractor Fred Zimmerman has been declared unfair to organized labor by the local Building Trades Council.

"TANAGRA" TO BE SHOWN AT REDUCED PRICE

"Tanagra" will show at the Lyric theater at matinees and evenings today and tomorrow, in addition to the regular program.

"Tanagra" has been played all week at the Lyric for the benefit of the police widows' and orphans' fund with great success.

Not only will it be shown in connection with the regular Lyric show, making it a double bill, but prices will be tremendously reduced. Previous prices were 25 and 50 cents. Today and tomorrow they will be 10 cents for children and 20 cents for adults.

DR. AND MRS. BLAKE TO BE HOME TOMORROW

Dr. and Mrs. C. R. Blake will be back in Richmond tomorrow evening, after a two weeks' vacation spent in motoring in the southern part of the state and over the line into Mexico.

MADBULLDOG CAUGHT IN PULLMAN

Bites Man, Three Children and Woman Before Captured By Poundmaster.

Snapping and snarling, a vicious brown bulldog, which had bit an hour before severely bitten Andrew Cuchel, 145 Topoka avenue, on the calf of his right leg, was captured by Poundmaster Frank Meador yesterday afternoon in the Pullman district. Previously the dog had bitten two girls, a boy and a woman, all in the Pullman district, but no report had been made to Meador.

When taken the dog had no master, but so vicious was the dog that even when muzzled it would attack women and children. It had become the terror of the Pullman district. The dog is owned by a barber on Potrero avenue.

It was taken to the pound and will be sent to the State University in Berkeley today to be examined for rabies.

CHICKEN CHICKEN TIEP.

Monday a hyphen bulldog, bearing an Oakland license killed 20 chickens at the John Dooling home on Twenty-third street. It forced the men about the place onto an east-house, where they stayed until the dog had devastated the chickens house. The dog then went to the home of Contractor Fred Meyer nearby and killed several more chickens.

A call was sent in to Meador, who arrived and gave the dog chase to Tenth and Macdonald, where he was lassoed. The dog chewed into the rope and made another dash for liberty, and Meador drew his gun and shot the animal. Two dogs which it had bitten in Pullman were released and are being watched.

Auto Turns Over Injures Three

CONCORD, July 23.—Skidding for 50 feet, after the rear wheel had collapsed, a big Studebaker "six" belonging to Mrs. S. E. Miller, turned turtle near the high school last night and slightly injured three of the six young men, who were riding in it.

Denny Spillane of Martinez was the most seriously injured. It was found that his collar bone was broken and his face was covered with bruises. He was rushed to the county hospital, where Dr. E. W. Merritt attended him.

The other five passengers were picked up, covered with dirt and bruises, and advised young Agler, who came to their rescue, to take them to their homes. They are all iron workers at Avon.

The machine was completely wrecked.

PLANT STREAMS WITH TROUT

ALAMO, July 23.—The high streams around Alamo, Danville and San Ramon have been planted with several thousand mountain trout just received from the state fish hatchery.

By 1917 San Ramon creek and its tributaries are expected to be fine fishing places, for by that time the fish that were put in those waters will have attained their growth. Only hook and line fishing will be allowed.

Setting will be prohibited, as it will deplete the supply of fish too rapidly. The young fish were received by Andrew J. Abbott, former deputy game warden.

DR. AND MRS. BLAKE TO BE HOME TOMORROW

Dr. and Mrs. C. R. Blake will be back in Richmond tomorrow evening, after a two weeks' vacation spent in motoring in the southern part of the state and over the line into Mexico.

THE WALL HURDLED.

Richmond has hurdled the Wall and the fight of all the dear brothers who lined up against the wish of the people has been in vain.

There may be another legal move to stave off the inevitable, but it is certain now that in a short time an election will be held to determine the location of the City Hall of Richmond.

It is truly a sad state of affairs that before the people can make their public servants obey their command they must carry their case to the highest court of the state.

The victory is particularly gratifying to this paper. From the start we have combated the Wall scheme, not only because his site is so apparently unsuited for the City Hall, but chiefly because of the principle of the matter.

If the governing body of a city can absolutely disregard the wish of the voters, then the initiative and referendum law, direct legislation, is little better than useless. If deals like the Wall deal can be crammed down the throats of the people, then truly has government by the people ceased to exist in Richmond.

The Daily News, of the press of Richmond, was alone in the fight. By its attitude it won powerful enemies. But it has never regretted its stand.

It is now up to the people of Richmond to seriously think of the proper location for the City Hall.

JUST THE SAME.

One of the bloodiest industrial wars (with the exception of Colorado, Michigan, West Virginia, Paterson, etc., etc.) is now on in Bayonne.

There is nothing very novel about it. The men struck for eight hours and a 15 per cent increase in pay. The big business press tells us nothing of the hours the men had been working, nor what pay they were getting, but that is to be expected.

When they walked out, armed guards were brought in. Three hundred of them came from New York. They were given repeating Winchester rifles and placed behind a concrete wall. In the sniping a little girl was shot in the ear. Other children were hit. Who were these New York guards? They were not regular policemen, nor soldiers. Quite probably they were professional strike-breakers and gun men.

There was much rioting, say dispatches. And after each riot, the wounded strikers were carried from the field. Policemen and guards had many narrow escapes (say the dispatches), but none of them were shot.

And then the employers issued a report that the strike was the result of "professional agitators."

The desire of the men for an eight hour day, according to that announcement, could have had nothing to do with the strike reason. The company said the men would have to return to work or they would not deal with them.

And the city officials demanded the militia.

There isn't really anything new in the strike.

SPEAKING OUT.

Dr. E. H. Pratt addressed the International Purity Congress in San Francisco. He was expected, of course, to exude a certain amount of harmless bunk. He didn't. And the Congress is very sore at Dr. E. H. Pratt.

For the Doctor laid aside his manuscript and said a lot of things that he meant. He told them the Congress needed reform before it could hope to help in the eradication of the evils it condemned. He said: "You people have got to use some common sense." Which was pretty tough on the Congress.

BARTENDER PASSES AT THE COUNTY HOSPITAL

John Swan, 54 years of age and a native of New York, who was brought to the county hospital at Martinez several weeks ago, suffering from an ailment of long standing, died there last evening.

He was a member of the Bartenders' Union of Point Richmond, to which place the remains will be shipped.

The funeral will be under the auspices of Bert Curry and the interment will be in Sunset View cemetery.

FAMOUS PLAY AT RICHMOND

Scene From
ESSANAY'S
"6 Act Feature
GRAUSTARK"

Grenfell Lorry, hero of George Bar-
McCutcheon's play, "Braustark," the
big six-reel production showing to-
day at the Richmond Theater, is of
that type of an American beloved by
all lovers of fiction. Rich, hand-
some, and daring, he falls in love
with a princess traveling in disguise
and follows her half way around the
world to win her hand. The adven-
tures he goes through in the turbu-
lent little kingdom where she
reigns is like a page from the Ara-
bian Nights.

Facing dangers on every hand, he
rescues the princess from her ab-
ductors, foils the plot of two unscrup-
ulous princes to win her hand and
finally saves her from the loss of her

reason.

COLTS AND ELKS CANTER IN LUCE PARK TOMORROW

WHO WILL MARTINEZ PITCH IS THE QUESTION OF THE HOUR

The latest is that McNamara has signed Pitcher Jack Killaly of the San Francisco Pacific Coast League to pitch Sunday's game. McNamara could not be reached on the phone last night. There is undoubtedly a good base for the statement, for McNamara is set on winning tomorrow's game. Three other Los Angeles P. C. L. fielders have also been signed for the game, it is said.

"Any time they believe they are going to have an easy time of it," stated Joe, "they have another guess coming. I am plugging up what few weak spots my experience has shown and while I am not underrating this bunch which Luce pays off, I want to say that they will have to keep traveling when we get at them." Now the foregoing is very well worth the time reading it. Joe practically promises to have a new pitcher on his hurling mound Sunday, for that certainly is one of his weak points that needs plugging.

Who is McNamara's dark horse pitcher? He won't deny that he may spring a surprise in that department Sunday. He has been interviewed on that exact point by a local fan within the last two days, and Joe turned the question away with an evasive answer. He knows too much about baseball to trust such an important game to either Danzig or Wilcox. Who is the dark horse?

Richmond can beat the Martinez eight with one hand tied behind them. We mean with one hand of the "Richmond" players tied behind them. Much, of course, depends on whom McNamara will send in as the ninth man. Even at that Richmond has the best of it, for few hurlers outside of minor and major league can beat Gordon as this best. Gordon is as his best on a hot day, and the weatherman has been shipped a sign to arrange things for the morning.

Manager Luce thinks that one of the largest crowds that has ever indulged the hands of the local endeavor will attend the game. An ordinary sized Richmond ball crowd is being brought down from Martinez on their special train tomorrow, and the interest the game is arousing here promises to fill the entire outfield, yes, including the hundred or so that room at the Windsor Hotel that get their baseball games free gratis, for nothing.

WELL, EVEN AT THAT WE ARE GOING TO STAY HOME.

Baseball will be king all over the county next Sunday when three of the most important baseball battles in the history of the game in Contra Costa will be staged. The first of these is the Richmond-Martinez game at the former city. Then comes the beginning of the series which Pittsburg and Concord will play. The first game is scheduled for the new athletic ground at Pittsburg. Last but not least important, is the Brentwood-Bronx clash at Brentwood.

Contra Costa county today boasts the best amateur baseball teams in the state and there will surely be a number of big surprises when the county teams end their little tilt next Sunday night.

CHURCH SOCIETY RE-ELECTS HEADS

Officers were re-elected by the Women's Home Missionary Society of the First Methodist church yesterday at a meeting held in the home of Mrs. J. P. Smith. They are: President, Mrs. W. P. Gibbons; secretary, Mrs. Ira B. Totten; corresponding, Mrs. H. A. Grover; treasurer, Mrs. Clifford Bradley. Their return to office by a unanimous vote was a tribute to their splendid record for their year in office.

JOE LOVETH MUSIC WITH HIS GAMES.

Unable to secure Martinez musicians for tomorrow's game on account of them being away on their vacations, Joe McNamara was in town yesterday securing a number of the local concert band to make the air merry with airs Sunday.
